Oesterreichisches College  
Generalsekretariat  
Kolingasse 19  
Vienna IX, Austria

Gentlemen:

This is to reply to your letter to Mr. Allen W. Dulles inviting him to serve on the Honorary Committee of the Oesterreichisches College.

Since Mr. Dulles is away on a short trip at the present time, I am unable to say whether he would be able to serve in this capacity or not. I will bring this to his attention upon his return, but in the meantime would you be good enough to make certain that his name is not listed among the members of the Committee or as a sponsor?

Sincerely yours,

John D. E.
